Message to Key Club Advisors

I know some of your clubs might still be electing your new club officers, however, if you could please send me the current contact information of your club President and club Secretary it would be much appreciated. This would allow me to also send them the Newsletters and updates I send out from the District. Thank you!

Division 3 Meeting

During this service year, all of the officers will be meeting 4 times in total, one being during the summer, and do simple little projects. We will also be going over updates and future plans for each club. This may include how many members you have, hours served, who who is planning to go to certain events, favorite service project, and goals for each club. We will also be going over potential projects to do as a division and you will be getting a detailed update from the district. **The second meeting will be in November and is required for all schools to attend. Please keep reading to find more information and action on your side.**

Division Meeting Action Required!! - Please Reply!!!!

An email will be sent out closer to time with more information, however, these are some pieces of information I would love to have of the attending:

- First and Last Name
- Position in the club (very highly encouraged that the president makes it to the meetings.)
- Which day works best from November 12 - November 16

Earl Collins Foundation Scholarships and Grants

The Earl Collins Foundation Scholarship is a competitive scholarship offered by the Missouri-Arkansas District of Kiwanis International for students entering accredited institutions such as universities, community colleges, trade schools, or academies. As college applications are around, this can be a great opportunity for seniors who are applying! Applicants are evaluated based on academic achievement, financial need, volunteerism, honors, education plans, and letters of recommendation, with bonus points for Key Club involvement or Kiwanis service. **To apply, students must submit a complete application with all required documents to their local Kiwanis Club by January.** The grants are for the individual chapters to be able to get some money for a project or on need basis.
