Division one newsletter: Vol. I

***JUNE
EDITION!***

MONTHLY NEWSLETTER

Wednesday 10th June, 2026

Vol.1

Hello Division 1!!

I hope you all are having a wonderful and relaxing start to your summer break! You have all worked incredibly hard over the past school year, and you deserve this time to recharge and reset.

While regular weekly club meetings and school activities are officially on hiatus for the summer, our passion for service should continue! During the summer, need in our communities actually increases making this the perfect time for Key Clubbers to step up and make an impact. In this June newsletter, I

have created a list of summer-friendly community service projects that you can participate in either individually or with fellow club members. While these specific projects are completely optional and not required by the district, I highly encourage you to look through them. Think about how you can implement these ideas locally, keep your clubs active, and continue earning service hours before the new school year begins in the fall. Let's beat the summer slump together and show our communities that Key Club never stops caring! As always, please reach out if you or your club officers need any support over the break.

Savanna Scruggs, Lieutenant Governor,
Division 1

KEY CLUB PLEDGE

KEY CLUB PLEDGE:

**I pledge, on my honor,
to uphold the Objects of Key
Club International;
to build my home, school and
community;
to serve my nation and world;
and combat all forces which
tend to undermine these
institutions.**

Vol.1

COMMUNITY SERVICE IDEAS

Juneteenth (June 19th)

To honor Juneteenth, try to promote educational awareness or highlight local community volunteer opportunities that directly support Black-owned or community-focused non-profit organizations. This can be done in many different ways such as volunteering at black owned businesses and promoting them.

Make a Splash!

Looking for a fun way to jump-start your club's budget? Host a classic summer car wash to raise vital funds for your upcoming district projects or the Kiwanis Children's Fund. It is a highly visible, high-energy event that brings members together while making a direct impact. Partner with a local business for a high-traffic location, pre-sell tickets, and grab your buckets and club banners. Let's turn soap suds into life-changing support for children locally and globally!

Vol.1

DLC THEME patriotism!!

This year's DLC theme is: Patriotism! We are celebrating the 250th anniversary of the USA. Our slogan, "Red, White, and YOU - Making a Difference," invites you all to join us! DLC this year will take place on March 4th to 6th, at the University Plaza Hotel in Springfield, MO. We hope to see you there!

YOUTH OPPORTUNITIES FUND

•The Youth Opportunities Fund, offered by KEY Club International, provides grants of \$250 to \$2,000 for clubs. Applications are due by October 15th for the first cycle and March 1st for the second cycle. Clubs must show participation in KEY Club activities, complete a community service project, collaborate on at least one Kiwanis Children's Fund project, and use the funds within 12 months.

EARL COLLINS FOUNDATION

The Earl Collins Foundation offers scholarships of \$1,500 each for two graduating seniors in the MO-ARK district planning to attend higher education. Additionally, through the Service Leadership program (SLPS), clubs can apply for grants up to \$1,000 for community service projects. These grants are available from October 1st to September 30th each year.
