All About Me!!!

Hello everyone! My name is Makenlei Shafferkoetter, and I am honored to serve as your Lieutenant Governor for Division 5 of the Missouri-Arkansas District. I am currently a sophomore at Cuba High School and have been involved in Key Club for two years, following four years in Builders Club. Through these experiences, I've developed a strong passion for service and leadership.

Outside of Key Club, I enjoy reading, writing, coloring, creating diamond art, and spending time with my boyfriend and friends. This year, my goal is to ensure that every club in our division has the resources they need to be successful, while also strengthening communication across our division. I am excited to work alongside all of you to make a meaningful and lasting impact in our communities!

Success Story Scholarship and Grant opportunities!!!

Key Club International offers a variety of scholarships and grant opportunities designed to support members and strengthen clubs. I strongly encourage all members and officers to take advantage of these valuable resources. The Earl Collins Foundation provides scholarships for graduating seniors, as well as grants for clubs seeking funding for meaningful service projects. This is an excellent opportunity to both support your future education and expand your club's impact within the community.

Additionally, the Youth Opportunities Fund (YOF) offers funding to clubs that are addressing specific needs within their schools or local communities. Whether you have an idea for a new project or want to grow an existing one, this grant can help bring your vision to life.

I also encourage eligible members to apply for the Robert F. Lucas Scholarship, which is available to current or past Lieutenant Governors who have demonstrated outstanding service and leadership. Recipients will receive a \$500 award to support their educational goals or service initiatives. Applications are due by July 31, 2026. These opportunities are a great way to further your leadership journey, support your club's goals, and make an even greater impact through service.

Key Club Opportunities

ICON: International Convention

One of the most exciting opportunities in Key Club is attending the annual Key Club International Convention (ICON). This year, ICON will be held in Dallas, Texas, bringing together thousands of Key Clubbers from around the world for a weekend of service, leadership development, and unforgettable experiences.

At ICON, members have the opportunity to attend workshops, hear from inspiring speakers, participate in service projects, and connect with fellow leaders who share a passion for making a difference. It is also where important Key Club business takes place, including the election of international officers and the discussion of proposed bylaws and amendments. In addition, programs like the Key Club International Big Pitch competition showcase innovative, high-impact service ideas developed by members, highlighting the incredible creativity and dedication within our organization.

Attending ICON is truly a once-in-a-lifetime experience that allows members to grow as leaders, gain new perspectives, and bring back valuable ideas to strengthen their home clubs.

Divisional Council Meetings (DCMs)

Divisional Council Meetings (DCMs) are a vital part of the Key Club experience and serve as an opportunity for members across our division to connect, collaborate, and grow as leaders. These meetings bring clubs together to share ideas, discuss upcoming events, recognize achievements, and strengthen communication within Division 5.

DCMs are also a space to build relationships, exchange service ideas, and gain valuable insight that can help your home club thrive. Whether you are an officer or a general member, attending DCMs allows you to become more involved and engaged within the Key Club International network.

As we begin planning for our first DCM of the year, I would love to hear your input. If you have any ideas for themes, activities, or topics you would like to see included, please don't hesitate to reach out and share your thoughts. Your voice plays an important role in shaping these meetings, and I am excited to work together to make them meaningful and impactful for everyone involved.
